

SUMMER 2020

3. Happiness is not something we produce ourselves

As the school year ends and summer begins, we suggest working on pages 4-5 of the [Notes from the GS Raggio](#) via video link with Julián Carrón and Francesco Barberis. We should re-read the text, consider our experience, and let ourselves be challenged by this question: **“If what I must do cannot make me happy, what can? What is capable of fulfilling my heart, of giving me the fullness that my heart awaits, and has always yearned for?”**
